## ✦ Dasara – The Festival of Victory of Good over Evil ✦

***“Conquer the Ravan in you and win the war.”***

Dasara, also known as Vijaydashami, is one of the most celebrated festivals in India. It marks the victory of good over evil and is observed on the tenth day of the bright half of the month of Ashwin, after nine days of Navratri.

The festival has different meanings across India. In northern states, it commemorates Lord Rama’s victory over the demon king Ravana, symbolizing the triumph of truth and righteousness. In southern and western states, it is linked to Goddess Durga’s victory over Mahishasura, representing the power of courage and devotion.

Dasara is celebrated with colorful processions, Ram Leela performances, worship of Goddess Durga, and the burning of effigies of Ravana, Meghnath, and Kumbhakarna. It is also considered an auspicious day to begin new ventures and seek blessings for knowledge and success.

For students, Dasara reminds us to fight against negativity, develop good habits, and follow the path of truth and discipline.

**Let us celebrate this Dasara by spreading positivity, knowledge, and kindness all around!**

## Conclusion

As we look back on the month's events and achievements, it fills us with pride to see our students growing, learning, and excelling in every sphere. Each activity, celebration, and accomplishment is a step toward shaping confident, compassionate, and responsible individuals. We extend our gratitude to the teachers, parents, and students whose efforts make these successes possible. With the same enthusiasm and spirit, we look forward to more milestones in the days ahead.
