

JANANI VIDYA MANDIRA

ANNUAL REPORT 2025–2026

(CBSE Affiliation No: 830885)

1. Introduction & Welcome

Respected Chief Guest, members of the management, esteemed parents, dedicated teachers, and my dear students,

It is with immense pride and joy that I present the Annual Report of **Janani Vidya Mandira** for the academic year 2025–2026. Our school continues to stand firm on its core vision of delivering holistic, value-based education, nurturing curious young minds, and shaping compassionate global leaders of tomorrow.

2. Student Enrolment and Demographic Profile

- **Total Enrolment:** The school currently caters to **743 students** spanning from Kindergarten through Class X.
- **Gender Ratio:** Maintain a healthy, balanced student body with **54% boys** and **46% girls**.
- **Class Structure:** Operating with two balanced sections per grade, we ensure optimal classroom dynamics and individual attention for every learner.

3. Academic Excellence & Board Performance

Academic rigor remains the cornerstone of Janani Vidya Mandira, reflected in our exceptional performance in the CBSE Board Examinations (2024–2025 session):

- **Class X Results:** Achieved a **100% pass percentage**, with **42% of students securing distinction** marks and an impressive aggregate school average of **84%**.
- **Topper Highlight:** **Miss Lekhana** secured the top position in Class X with an outstanding score of **95.6%**.
- **Board Readiness:** High school students underwent rigorous academic preparation through the regional **Sahodaya Pre-Board Examinations**, ensuring total confidence ahead of national evaluations.

4. Scholastic Competitions, Science & Educational Exposure

We encourage our students to benchmark their learning against national standards through interactive exhibitions, visits, and competitive platforms:

Knowledge Fair (Jnana Parva 2025): An all-subject exhibition where students from Nursery to Grade 10 conceptualized and presented innovative projects across all disciplines.

- **ISRO Space Centre Visit:** High school students participated in an enriching educational excursion to **ISTRAC (ISRO Telemetry, Tracking and Command Network)**, gaining direct exposure to space science research.
- **National Competitions & Olympiads:** Students actively tested their analytical and linguistic

skills in **LogiQuids**, **Spell Bee**, and the **National Science Olympiad (NSO)**, where **5 students** successfully qualified for the **2nd round**.

- **Value & Cultural Exams:** Students demonstrated exemplary knowledge in moral and heritage studies through the dedicated **Ramayana Examination**.

5. Co-Curricular & Student Empowerment Initiatives

Our co-curricular calendar provides continuous avenues for leadership, citizenship, and personal growth:

- **Student Leadership & Democracy:** Student leadership was established through democratic **Student Council Elections**, followed by the formal **Investiture Ceremony** where elected representatives took their oath of office.
- **New Student Integration:** To welcome new admissions, an interactive **Treasure Hunt** was organized to foster team spirit and campus familiarity.
- **Social Empowerment (SEWA):** Guided by the **SEWA (Social Empowerment through Work Education and Action) Program**, students actively led community outreach projects.
- **Skill Enrichment Activities:** Practical, hands-on learning was integrated across all grades through specialized **Subject Enrichment Activities** and the creative "**Cooking Without Fire**" culinary event.

6. National Observances, Cultural Celebrations & Health

Janani Vidya Mandira instills national pride and cultural awareness through vibrant events:

- **Patriotic & National Observances:** Grand celebrations were held for **Independence Day**, **Republic Day**, **Kargil Vijay Diwas**, and a special commemorative drive on the **Quit India Movement**.
- **Regional & Cultural Heritage:** The campus celebrated **Kannada Rajyotsava** with traditional state cultural programs, honored mentors on **Teacher's Day**, celebrated **Founder's Day**, and sought academic blessings during **Saraswathi Pooja**.
- **Health, Fitness & Wellness:** Wellness initiatives included **International Yoga Day** mass sessions, **Nutrition Week** health drives, and environmental stewardship campaigns during **World Environment Day**.
- **Outreach & Future Guidance:** Senior students received targeted academic and career path mapping through professional **Career Counselling** sessions.
- **Outgoing Batch Farewell:** A heartfelt **Farewell Ceremony** was organized to celebrate and send off the graduating Class X batch.

7. Physical Education, Sports & Martial Arts

Sports and physical fitness remain integral to our curriculum, developing leadership, stamina, and sportsmanship:

- **Annual Sports Day:** Conducted with enthusiasm across all grade levels, featuring track-and-field events and group athletics.

- **CBSE Sports:** Representative teams participated in regional CBSE sports meets.
- **National Level Martial Arts:** Our karate team delivered outstanding performances in interschool Karate championships, bringing home **1st and 2nd places at the National Level.**

8. Faculty Empowerment & Professional Development

In line with the pedagogical vision of the Central Board of Secondary Education, our educators undergo continuous professional upgrading:

- **Capacity Building Programs (CBPs):** Teachers completed mandatory CBSE and in-house professional workshops on experiential learning, artificial intelligence (AI) integration, and modern instructional strategies.
- **Digital Literacy:** Continuous training sessions were conducted on smart-class tools and Learning Management Systems (LMS).

9. Campus Infrastructure & Safety Upgrades

We maintain a state-of-the-art campus to support modern learning and absolute student safety:

- **Classroom Technology & STEM:** Modern interactive digital panels were installed across all classrooms, alongside the introduction of a specialized **Robotics curriculum** for Grades 1 through 9.
- **Library Resources:** The central library expanded its repository to over **4,000 academic books, reference guides, and journals.**
- **Safety & Security Systems:** Enhanced campus security protocols were executed, including upgraded CCTV surveillance networks and advanced fire-safety systems.

10. Conclusion

We extend our profound gratitude to our management for their vision and constant guidance, to our parents for their trust and cooperation, and to our dedicated staff for their unwavering commitment. Together, we look forward to reaching greater heights in the upcoming academic year.

Thank you!

Principal
