Teachers' Workshop

A workshop for teachers was successfully conducted in the school to enhance teaching practices and promote professional growth. The session focused on innovative teaching methods, effective classroom management, and creating engaging learning experiences for students.

The workshop included interactive discussions, group activities, and practical demonstrations that encouraged active participation from the teachers. It provided an opportunity for educators to share ideas, learn new strategies, and strengthen their skills for better classroom delivery.

The programme proved to be highly informative and inspiring, motivating teachers to adopt creative and student-friendly approaches in their teaching. The workshop concluded with positive feedback from the participants, making it a meaningful and enriching learning experience for all.

The "Content to Concept Development" workshop for teachers was an insightful and enriching professional development programme aimed at enhancing innovative teaching practices. The session focused on transforming classroom content into engaging concepts that promote deeper understanding and active learning among students.

Teachers were introduced to creative strategies, activity-based learning methods, and effective techniques to make lessons more meaningful and learner - centered. Through collaborative discussions and hands-on activities, educators explored ways to connect theoretical content with real-life applications, encouraging critical thinking and creativity in the classroom.

The workshop provided a valuable platform for teachers to exchange ideas, learn new approaches, and strengthen their teaching skills. The session was highly motivating and inspired educators to adopt concept-based learning methods for a more interactive and impactful learning experience.

Orientation Program at School

The school conducted an Orientation Program for students and parents to introduce them to the academic environment and school activities. The session provided information about the curriculum, school rules, facilities, and co-curricular activities. Teachers interacted with students and parents, addressing their queries and helping them become familiar with the school system. The program was informative and created a positive beginning for the new academic year.

Orientation Program Conducted at School.

The school successfully organized an Orientation Program on 23 May 2026, for students and parents with the aim of familiarizing them with the school environment, academic structure, rules, and overall learning process. The program began with a warm welcome by the school management and faculty members, creating a positive and encouraging atmosphere.

During the session, important information regarding the curriculum, school policies, co-curricular activities, discipline, and student support systems was shared. Teachers were introduced to parents. Parents were given an opportunity to interact to clarify their queries.

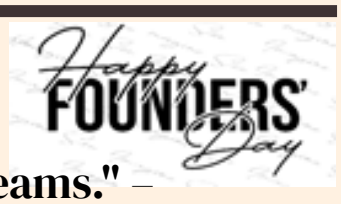

The program helped students feel more comfortable and confident as they begin their academic journey. It also strengthened the partnership between parents and the school in ensuring the holistic development of every child. The orientation concluded on a positive note, leaving participants informed, motivated, and excited for the new academic year.

Founder’s Day Celebration

"The future belongs to those who believe in the beauty of their dreams." – Eleanor Roosevelt

Our school proudly celebrated Founder’s Day on 10 June 2026, with great enthusiasm and reverence, honoring the vision, values, and legacy of our esteemed founder. The program commenced by inspiring speeches highlighting the founder’s contributions to education and society.

Teachers and students showcased their talents through cultural performances, songs, and presentations that reflected the ideals and principles on which the institution was established. The celebration served as a reminder of our commitment to excellence, integrity, and service.

Founder’s Day was a meaningful occasion that inspired the entire school community to uphold the values of our founder and continue striving towards academic and personal growth.

Message from the Janani Family

Together, let us continue to inspire, encourage, and empower every learner to dream big, work hard, and become responsible citizens of tomorrow.

Environment Day_

Go green, breathe clean. Stop polluting the environment. Save our planet. Think before you trash it.

Our school celebrated World Environment Day on 5 June 2026, with great enthusiasm, inspiring students to become responsible stewards of the environment. The celebration included a special assembly, tree plantation drive, poster-making activities, and awareness talks on the importance of protecting nature and conserving natural resources. Students actively participated in the activities, spreading the message of sustainability and environmental responsibility. The event encouraged everyone to adopt eco-friendly habits and work together towards creating a cleaner, greener, and healthier planet.
Under the theme "Inspired by Nature, For Climate, For Our Future," the initiatives Rotarian Mr. Sreekanth and Mrs. Madhavi Sreekanth emphasized that nature is not optional—it is central to climate resilience and our collective future.

Health & Safety Tip

Wash hands regularly, drink water, eat healthy food, and keep the classroom clean.

Nutritional Week Celebration at School

Our school enthusiastically celebrated Nutritional Week from 6 July to 11 July 2026, to create awareness among students about the importance of healthy eating and a balanced lifestyle. Throughout the week, students participated in a variety of engaging activities, including healthy tiffin, fruits and vegetables identification and interactive talks on nutrition.

Teachers emphasized the importance of consuming nutritious food, staying hydrated, and avoiding junk food. Students also learned about the different food groups and how healthy eating habits contribute to physical growth, mental well-being, and overall fitness.

The celebration encouraged students to make healthier food choices and inspired them to adopt lifelong habits that promote good health. Nutritional Week was a meaningful and educational experience that reinforced the message, "Eat Healthy, Live Healthy."

Scouts and Guides Introduced at Our School

This academic year marked a proud milestone as our school introduced the Scouts and Guides programme, providing students with an excellent platform to develop leadership, discipline, teamwork, and a spirit of service.

The programme aims to nurture responsible, confident, and compassionate individuals through activities that promote character building, self-reliance, community service, and outdoor learning. Students enthusiastically enrolled and participated in the introductory sessions, learning about the values, motto, and principles of the Scouts and Guides movement.

The launch of this programme reflects our school's commitment to holistic education by empowering students with essential life skills and encouraging them to become responsible citizens dedicated to serving society.
